

Memo Of Understanding

ChatSiGira v 1.0 – 24/05/2020

Team:

- **Allari Edoardo**
- Bologna Abreham
- Nicolis Pietro
- Pollinari Jonathan
- Zerbato Nicolò

Purpose

The purpose of this Memorandum of Understanding (MOU) is to serve as a written understanding between our group and our customers. This MOU documents the responsibilities of the principal organizations involved in the deployment of ChatSiGira project.

Objective, Scope and Major Activities

Objective

The objective of this project is to ensure the functionality of a local chat through the use of a central server. This includes all the handling of connection requests to the server to access the global room and start messaging.

Scope

The scope of this project is to provide a chat client with a user interface that allows people to intercommunicate with each other.

Major Activities

- Implement local chat
- GUI development
- Documentation

Responsabilities

Group

- Keep the application updated monthly;
- Frequent bug fixes;
- Ensure efficient customer support;

Customers

- Use the application following the use cases explained in the User Guide; Report bugs
- through the client assistance provided by the developers group;
- Don't distribute our application to other people that don't own the license of our product.

Duration

This document is updated every 6 months.
